

## OLD FASHIONED

### INGREDIENTS

*SERVES 1*

1 large and uneven slice of lemon peel  
1 brown sugar cube (or 1/4 oz simple syrup)  
2 dashes Angostura Bitters  
1 dash Regan's Orange Bitters No. 6  
1 oz bottled water

2 large ice cubes  
2 oz good Bourbon  
Small triangle of orange slice for garnish  
(and perhaps a cherry)

Add the lemon peel, sugar cube and both bitters into the bottom of an Old Fashioned glass. The Deans insist on using an Old Fashioned glass for this drink.

Using a wooden muddler, begin to muddle the ingredients firmly in the bottom of the glass.

Add the water, ice, and then the Bourbon.

Stir with a spoon. Float the orange slice on top of the drink and serve.
